Objective

To serve the City of Springfield as a dedicated City Council member by promoting positive stewardship of resources and actively listening to the opinions of the citizens when making intelligent decisions on their behalf.

Affidavit of Eligibility

City Charter: Section 2.2. Qualifications

A councilmember hereafter elected or appointed shall be a qualified voter of the city and shall have been a resident thereof for at least two years immediately prior to his or her election or appointment. The four zone councilmembers hereafter elected or appointed shall be residents and qualified and registered voters of the respective zones provided for in Section 1.4. Each zone councilmember hereafter elected or appointed shall have been a resident of his or her zone for at least one year immediately prior to his or her election or appointment. No councilmember shall be a candidate or nominee for or hold any other lucrative public office or hold a lucrative position in the city government during his or her term as councilmember, except the following persons shall not be disqualified: A member of the National Guard or Naval or Military Reserve or Notary Public. A city councilmember should not be employed by the City of Springfield or any of its departments, boards, or agencies for a period of one (1) year after leaving the position of councilmember. If a councilmember shall cease to possess the above qualifications or shall be convicted of a crime involving moral turpitude, his or her office shall immediately become vacant.

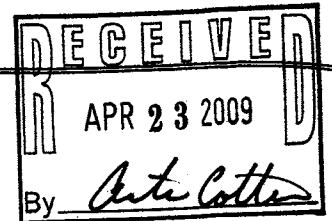

I, Chris Bell hereby certify the following:

- I am a registered voter in the city of Springfield
- I have been a resident of the city of Springfield for at least two years
- If running for a Zone Council Seat, in addition to the two years residency in the city limits, I have lived in my respective zone for one year
- I am current on all city taxes and municipal user fees (RsMO 115.346)

Chris M. Bell

Members of City Council
City of Springfield
840 Boonville Avenue
Springfield, MO 65801

Dear Mayor and Council Members:

I am applying for the Zone 3 Council Position and I am asking you for your support in the open position.

We all know that Councilman Manley worked diligently to serve his country and community to the highest degree and that he should be shown our respect but we have a great responsibility in filling the now open seat. Councilman Manley's shoes will be difficult to fill but I hope to have the opportunity to serve our community to my fullest potential.

I unfortunately cannot claim that I am any more than a first generation Springfield resident, but I have grown to love this wonderful city since I originally moved to Springfield in 1998 to seek a degree in architecture at Drury University.

In 2003 I took a position as a regional sales manager for a company that sells product to the two largest home improvement chains in the United States. Covering more than four hundred retail stores I learned how to communicate and build a relationship with my customers and fellow employees. Because I perfected my ability to serve customers well and solve issues that came up, I relocated to help another region build their base and was often called in to other areas for emergencies that occurred.

Though I was raised in the small town of Warrenton, MO, I always referred to Springfield as "home" while I was away. When the chains that my company sold product to changed their vending practices, eliminating my position, I chose to move back to the Springfield.

Moving back to Springfield in 2006 I took up a position with a local distributor/retailer as a project manager. In this position I was used to create efficiency and connect the various departments to allow for a more smoothly run company. Working with different departments and learning their roles I was able to gain knowledge that allowed me to understand each of these departments. From human resources, to accounting, to management, and customer service I was given the ability to understand the various departments of a company and how each need to work together smoothly to create the greatest benefit to the customers, employees, and company.

During this time I also became interested in the political workings of the City of Springfield. I believe that it is important to know how the council and city are ran and that one should be involved if they have the chance. Springfield is a great city to work and live and it is through the volunteers that serve the city that it continues to be what it is. I attended the Municipal Government Academy to learn more about our city and to gain a greater understanding of our community and I also recently took the first step to serving my city by taking a position on the city's Board of Adjustments. I was honestly amazed at how much work is done maintaining our community and way of life. I was also pleased to see how well each department is generally developed to serve our city and ensure that public input or representation is garnered.

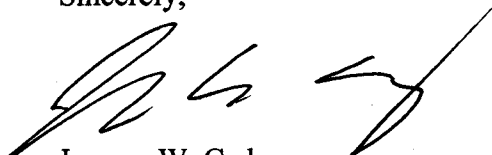

I know that we have recently run into issues including the pension fund and that now may not be the best time to seek a position on council if easy service is what one is looking for. I, however, am a diligent worker and excel in times of adversity. I enjoy seeking out answers to difficult problems and working with others to address and overcome hurdles that present themselves. Though it can be thankless job at times, I hope to have the opportunity to volunteer and further serve the City of Springfield.

If I am given the chance to serve with you on council one of the very first actions I would like to take is to give those in Zone 3 the ability to meet with me personally and have a discussion about what they believe is most important, their thoughts of the city's direction, and to allow them to know me better as their councilman. If selected I know that there could be some offense that the Zone 3 councilperson was not elected and I want to give those that I will be representing the knowledge that I am available and have them always in mind. I would seek to hold a couple of town hall meetings in different areas of Zone 3 and attend other events to ensure that as many people as possible have the chance to approach me.

By selecting me you will gain a council member that has Springfield at heart, an independent thinker, and a member that is willing to work hard and long to ensure that we move forward and leave an even better city for our children and grandchildren.

Thank you for your time, consideration, and support.

Sincerely,

Jeremy W. Cady

Jeremy W. Cady

Objective

To fulfill my duties to the city and my community by serving on the Springfield City Council

Experience

November 2008 to Present Damar Worldwide, LLC Aurora, MO

Summary of Experience:

With over 25 years experience, I have participated in all phases of architecture for a variety of project types including:

- Educational – public and institutional
- Healthcare
- Religious
- Hospitality
- Commercial
- Retail
- Industrial

I have experience with project management in 15 states and have worked with many diverse groups to achieve successful design solutions for a long list of clients and projects.

- Renovation work for CoxHealth for eleven years. Projects include replacement of a building entry at Cox Medical Plaza I, conversion of an entire medical-surgical wing into an Intensive Care Unit at Cox South Hospital and construction of an addition for linear accelerators at the Hulston Cancer Center.
- Conversion of an old grocery store in Monett, Missouri to a rehabilitation clinic; new Outpatient Surgery waiting; and Admissions for Cox-Monett Hospital.
- Numerous renovation projects for Skaggs Regional Medical Center, including Emergency Department expansion, Cardiac Cath Lab and clinic in-fills.
- Preparation of Statements of Conditions (SOC) for several hospitals in Missouri, Arkansas and Illinois to support their Joint Commission on Accreditation of Healthcare Organizations review. These SOC's are primarily a summary and assessment of the physical plants as they relate to the Life Safety Code © and the health, safety and welfare of patients.

During my career, I have worked on a variety of educational projects from classroom additions to food service and science and technology additions. I have also worked on numerous multifamily housing projects, as well as, government and institutional buildings.

Debi Meeds, CEO, at Red Cross (832-9500) will vouch for me.

Happy to provide additional contacts as requested.

PERSONAL INTERESTS

I enjoy reading and jogging and some computers. I own a tennis racquet.

Cory - fyi

4 March 2009

Dear Professor Dillon,

I wish to support in the highest terms the application of Perry Elkins for a position as a Graduate Student in the Communication Department at Missouri State University.

During his time working with our Regional Chapter as a paid staff member of our management team (Director of Volunteer Services) and continuing now as a volunteer, Perry has shown tremendous initiative in building a Volunteer program largely through the use of expanded and improved communication systems.

Perry began using (and then moved all of us) to an up-to-date opt-in email system that has improved communication throughout the entire Chapter. Our Director of Emergency Services was particularly pleased with how he could now communicate easily with ALL of our volunteers during a disaster response.

His colleagues have (and do) say "creative" when asked to describe Perry in a word. As one example, Perry recruited and trained a volunteer personal "virtual" assistant (based in Florida) who helped us manage and process applications from spontaneous volunteers here in Springfield who wished to go and help during our response to the hurricanes last year.

More recently, Perry has moved the Chapter onto Twitter. He is the first to say it is not what he expected when he set out. What I like most about Perry is that he is not frightened by innovation and will meet new ideas head on, engage them, and work to create something that works for everyone involved. In addition, he seeks out innovative ideas and techniques to find practical applications to provide efficiencies for daily work.

I could write pages, but suffice to say I do not see how you could go wrong by supporting any research project or course of study that Perry might be interested in pursuing.

Please do not hesitate to call or email me if I may be of further assistance.

Sincerely,

Debi Meeds, Regional Executive Director
American Red Cross - Greater Ozarks Chapter

RESUME!

WHY I WANT TO SERVE ON SPRINGFIELD CITY COUNCIL.

THERE IS A NEED FOR BALANCED VIEWPOINTS ON CITY COUNCIL. HALF OF THE HOUSEHOLDS (LESS ONE) ARE BELOW THE MEDIAN INCOME IN SPRINGFIELD.

MY LEANINGS ARE TO REPRESENT THOSE HOUSEHOLDS.

I AM ALSO FOR ALL PROJECTS, TOBS, PAY RAISES, SCHOOLS, PARKS, ETC THAT CAN BE SQUEEZED INTO A BALANCED BUDGET. SPRINGFIELD IS A WONDERFUL CITY IN WHICH TO LIVE. THE SOLUTIONS TO SPRINGFIELD'S PROBLEMS WILL BEST BE ACHIEVED THROUGH GROWTH, NOT CUTS.

I AM A PEOPLE PERSON, POSITIVE THINKER, AND A TEAM PLAYER. MOST OF YOU ON COUNCIL KNOW MY INTEREST AND INVOLVEMENT ON MANY CITY ISSUES. THE AUDIT CONFIRMS A GREATER NEED FOR TRANSPARENCY IN ALL LEVELS OF CITY GOVERNMENT.

Carl E. Herd

P.S. ATTACHED IS AN E-MAIL CLARIFYING WHETHER I CAN APPLY FOR THIS COUNCIL SEAT WITHOUT GIVING UP MY PLACE ON THE PENSION TASK FORCE. WITH THE UNDERSTANDING THAT IF CITY COUNCIL SELECTS ME TO SERVE OUT MR. MANLEY'S ^{POSITION}, THEN AND ONLY THEN WOULD I RESIGN FROM THE PENSION TASK FORCE. CH.

Subject: Vacancy on Council

Carl,

I contacted the Mayor and his thinking is that if you are appointed to fill the Zone 3 vacancy, then you would need to resign from the Task Force, but not just for applying. I sent an e-mail to Council indicating that if I didn't hear from a majority of them to the contrary, we would go with the Mayor's recommendation. I have not heard from any of them, so I do not anticipate that you would have to resign if you applied for the Zone 3 position.

Brenda M. Cirtin, MMC/MPCC
City Clerk
City of Springfield
840 Boonville

Affidavit of Eligibility

City Charter: Section 2.2. Qualifications

A councilmember hereafter elected or appointed shall be a qualified voter of the city and shall have been a resident thereof for at least two years immediately prior to his or her election or appointment. The four zone councilmembers hereafter elected or appointed shall be residents and qualified and registered voters of the respective zones provided for in Section 1.4. Each zone councilmember hereafter elected or appointed shall have been a resident of his or her zone for at least one year immediately prior to his or her election or appointment. No councilmember shall be a candidate or nominee for or hold any other lucrative public office or hold a lucrative position in the city government during his or her term as councilmember, except the following persons shall not be disqualified: A member of the National Guard or Naval or Military Reserve or Notary Public. A city councilmember should not be employed by the City of Springfield or any of its departments, boards, or agencies for a period of one (1) year after leaving the position of councilmember. If a councilmember shall cease to possess the above qualifications or shall be convicted of a crime involving moral turpitude, his or her office shall immediately become vacant.

I, Carl E. Hend hereby certify the following:

- I am a registered voter in the city of Springfield
- I have been a resident of the city of Springfield for at least two years
- If running for a Zone Council Seat, in addition to the two years residency in the city limits, I have lived in my respective zone for one year
- I am current on all city taxes and municipal user fees (RsMO 115.346)

OBJECTIVE

A position as a Electronics or Quality Control Technician.

SUMMARY OF QUALIFICATIONS

Over 20 years experience testing, repairing, and troubleshooting electronic modules such as pilot's night vision sensors (PNVSs), indirect view displays (IVDs), and target acquisition designation systems (TADS) sub-components. Maintained and accounted for an electronic equipment test facility (EETF) valued in excess of \$16 million. Implemented and supervised maintenance, supply, and safety programs. Prioritized and distributed work load to 3 technical specialists. Supervised on-the-job training for less experienced personnel. Consistently recognized by management for superior results. Possess a valid security clearance.

CIRCUIT CARD ASSEMBLY REPAIR

Performed component level repair on multilayer printed circuit boards utilizing a PACE electrical/mechanical power source, appropriate hand tools and precision soldering techniques. Recertified on thru-hole rework and repair at a PACE-accredited training center.

TROUBLESHOOTING

Performed troubleshooting operations on automatic test equipment manufactured by RCA, General Electric, and Lockheed Martin using appropriate electronic diagrams, technical manuals, and voltage/frequency measurement devices. Troubleshoot modules and circuit boards to the component level using automatic test equipment, appropriate test program sets, and schematics.

LOGISTICS

Maintained over 1,630 lines of diagnostic and repair parts valued in excess of \$7 million. Researched, requested, and tracked the shipment of needed customer repair parts. Developed and implemented the Test Measurement Diagnostic Equipment (TMDE) program for M/158th Aviation, ensuring that over 500 tools and test sets were kept adjusted to appropriate specifications. Hand receipt holder for over \$23 million worth of equipment for 4 years with zero losses.

ELECTRONIC MODULE REPAIR

Repaired a variety of 80 different line replaceable units/modules of the Apache attack helicopter such as instrumentation modules, pilot's day and night vision systems, and the Hellfire missile system. Replaced faulty power supplies, cathode ray tubes, circuit card assemblies, wiring harnesses, and switches. Ensured repairs met or exceeded industry standards and calibrated to manufacturers specifications.

BRIAN W. JOHNSON

SUPERVISION AND TRAINING

Provided hands-on supervision and instruction to new technicians in such areas as routine maintenance, calibration, and test procedures of the automatic test equipment. Demonstrated specific procedures for testing and repairing individual modules and components and how to properly fill out maintenance and supply forms. Ensured shop safety precautions and emergency contingency plans were fully understood. Trained and licensed over 100 company personnel on 17 different pieces of support equipment such as generator sets (120kw and below), trucks (10 ton line-haul and below), forklifts (10 ton and below), and tactical air conditioners (60,000BTU and below).

VERSATILITY

Performed additional duties to support the organization such as Radiation Protection Officer, Laser Safety Officer, Dosimetry Custodian, TMDE Coordinator, Company Master Driver, Telephone Control Officer, and was selected to be a government credit card holder to serve as a purchasing agent for both ground and aviation parts.

EMPLOYMENT HISTORY

- Field Engineer, Lockheed Martin, Springfield. MO
December 2005- Present
- Automatic Test Equipment Supervisor, U.S. Army, Fort Hood, TX,
September 2001 – October 2005
- Senior Automatic Test Equipment Operator/Maintainer., U.S. Army, Fort Hood, TX, March 1993 - August 2001
- Automatic Test Equipment Operator/Maintainer, U.S. Army, Hanau, Germany, February 1990 - February 1993
- HF Radio Station Chief/Radio Teletype Operator, U.S. Army, Fort Leavenworth, KS, February 1986 - January 1990

EDUCATION

- Graduate, Automatic Test Equipment Supervisors Course, U.S. Army, Redstone Arsenal, AL
- Graduate, Automatic Test Equipment Operator/Maintainer Course, U.S. Army Signal School, Fort Gordon, GA
- Certificate, Electrical and Electronic Soldering Certification Level II, PACE Inc., Corpus Christi, TX
- Certificate (40 Hours), Industrial Radiography Training, U.S. Army, Fort Belvoir, VA
- Certificate (40 Hours), Basic Radiation Safety Training, U.S. Army, Fort Belvoir, VA
- Graduate, Belle Plaine High School, Belle Plaine, KS

Experience

July 2005 -
Present

The History Museum for Springfield and Greene County

Executive Director

Managed all functions of the Museum with an emphasis on raising public awareness of the museum and improvement of general operations. I implemented a program of outreach to the community through public speaking, planned activities, and contact with news sources in the community. The museum has raised its level of awareness in the community and shown a double digit increase in attendance and donations. This increase of awareness has also provided for several donations of archival material which has increased the collections quality and quantity.

September 1999 -
October 2004

PepsiAmericas, Inc.

Springfield, MO

Region Manager

Managed all functions, including P&L responsibility, of a 14 county region with over 40 million dollars in gross sales. This region consisted of 9 managers and 125 full time employees. I was responsible for all activities and planning and budgeting for the region. With the managers I planned and carried out all of the promotional activities and worked with key accounts to grow business and improve relationships. I also worked with the local teamsters union representing the non-exempt employees on all contractual issues. In May of 2004 the Springfield Region was recognized as one of the top three regions in the United States for in store marketing and overall retail performance.

March 1997 -
September 1999

Pepsi-Cola General Bottlers

Ft. Wayne, IN

Director of Marketing

Directed all marketing efforts including key account calls and management of five key account managers for three regions in northern Indiana.

Education

Southwest Missouri State University
Major in History

1967 -1971

**Volunteer and
Community**

Board of Trustees Boys and Girls Town of Missouri
Member The Landmarks Board of Springfield
Past Member Board of Directors The Victims Center
Past President of the Board Greene County History Museum
Past Member Board of Directors Springfield Sports Hall of Fame
Past Member Board of Directors Ronald McDonald House of Springfield
Past Member Board of Directors Springfield Little Theatre
Ozarks Public Television Volunteer of the Year
Past President Lebanon Area Chamber of Commerce
